Robert Anderson Joins River Consulting's Salt Lake City Office

SALT LAKE CITY – River Consulting is pleased to announce the addition of Robert Anderson as Manager of Business Development for River's Salt Lake City office, located at 7938 South 3500 East, Suite B100, Salt Lake City, Utah.

Mr. Anderson brings more than 10 years of engineering, project management and business development experience in the refining, material handling and manufacturing industries to the Salt Lake City office. In his new role, he will use this expertise to lead business development activities for the office and serve Clients in the Western United States. Mr. Anderson earned a Bachelor's degree in Manufacturing Engineering Technology from Northern Illinois University.

River Consulting is a multidiscipline engineering, consulting and project management firm recognized nationally by *Engineering News Record* as a Top 500 design firm and by ZweigWhite as the 14th fastest growing A/E firm in North America and Canada. The firm's comprehensive experience spans 27 years, six continents, and 57 countries. Offices include Columbus, Ohio; New Orleans, La.; Pittsburgh, Pa.; Houston, Texas; and Salt Lake City, Utah. Visit riverconsulting.com for more information.
