River Consulting Recognized as Top 500 Design Firm

COLUMBUS, Ohio - River Consulting is ranked as one of the "Top 500 Design Firms" in the country by *Engineering News-Record (ENR)*. Published annually, the *ENR* Top 500 recognizes top-performing architectural and engineering firms.

"We envisioned achieving this award, developed a plan for sustainable growth, and accomplished it through the hard work and collaborative efforts of our management and staff," states Gregory DiFrank, President. DiFrank's tenure spans 16 years and includes sponsorship and management of multi-million dollar national projects, team coordination and leadership, and strategic business development initiatives that have contributed to company growth and sustainability.

River delivers Management, Consulting and Engineering to diverse Clients and industries throughout the world. The company's experience spans 27 years, six continents, and 57 countries. Offices include Columbus, Ohio; New Orleans, La.; Pittsburgh, Pa.; Houston, Texas; Salt Lake City, Utah; and Edison, N.J. To learn more visit riverconsulting.com.

ENR rankings are based upon revenues for services performed in the previous calendar year. Information on the latest *ENR* Top 500 may be found by visiting their web site at enr.com.
