River Consulting Names Bryan Krupp Director – Project Development

COLUMBUS, Ohio – Bryan Krupp has been appointed Director – Project Development for River Consulting, a Management, Consulting and Engineering company headquartered in Columbus, Ohio. River is recognized by *Engineering News-Record* as a Top 500 firm and by *ZweigWhite* as one of the fastest growing A/E firms in North America.

Mr. Krupp has more than 18 years of experience in electrical design, automation and project management for industrial projects. Mr. Krupp's project experience spans numerous industries, and he has served as manager of the Columbus, Ohio electrical department, project manager and lead engineer for numerous projects both domestically and internationally. His background in electrical systems design includes process instrumentation and control, power distribution, control of large induction and synchronous machines, and control system software integration. In his new role, Mr. Krupp will be responsible for development of multi-discipline design and equipment supply projects.

Mr. Krupp graduated from the University of Akron with a major in Electronics Engineering Technology and is a registered Professional Engineer. He is also a member of the National Fire Protection Association (NFPA), the Ohio Society for Professional Engineers, and is a U.S. patent holder.

River delivers Management, Consulting and Engineering to diverse Clients and industries throughout the world. The company's experience spans 27 years, six continents, and 57 countries. Offices include Columbus, Ohio; New Orleans, La.; Pittsburgh, Pa.; Houston, Texas; Salt Lake City, Utah; and Edison, N.J. Visit riverconsulting.com for more information.
